NOTE.—Besides the aforesaid cases and deaths, 1 case came from Santiago de las Vegas, 1 from San Antonio de los Baños, 1 from Marianao, and 1 from Nuevitas, all of whom died.

Yellow fever deaths in the years.

Year 1890, 308; 1891, 356; 1892, 357; 1893, 496; 1894, 382; 1895, 553; 1896, 1,282; 1897, 858; 1898, 136; 1899, 103. From January to November 30, 1900, 290.

Residence on the island of yellow fever patients during month of November, 1900.

	Patients.		Patients.
Less than thirty days	41	Eleven months	5
One month	28	One year	36
Two months	11	Two years	27
Three months	5	Three years	5
Four months	1	Four years	3
Five months	6	Five years	1
Six months	11	Six years	2
Seven months	2	Nine years	1
Eight months	12	Unknown	4
Nine months	6		
Ten months	7	Total	214

Houses where yellow fever has occurred from January 1 to November 30, 1900.

Houses: Six hundred and sixty-eight with 1 case, 122 with 2 cases, 26 with 3 cases, 14 with 4 cases, 9 with 5 cases, 3 with 6 cases, 4 with 7 cases, 1 with 8 cases; total, 847 houses, 1,145 cases. Cases on steamers and other ships, 18; cases on Principe Corral, 19; grand total, 1,182.

Yellow fever by blocks from January to November, 1900.

One hundred and ninety-four occupied blocks with 1 case, 74 occupied blocks with 2 cases, 44 occupied blocks with 3 cases, 34 occupied blocks with 4 cases, 15 occupied blocks with 5 cases, 11 occupied blocks with 6 cases, 7 occupied blocks with 7 cases, 4 occupied blocks with 8 cases, 6 occupied blocks with 9 cases, 3 occupied blocks with 10 cases, 5 occupied blocks with 11 cases, 2 occupied blocks with 12 cases, 1 occupied block with 14 cases, 1 occupied block with 15 cases, 1 occupied block with 16 cases, total 402.

Havana has 857 occupied blocks. If we deduct 402 that have had yellow fever we have 455 occupied blocks that had not a single case. The official census reports the city of Havana with 26,701 houses in only 847 of which have occurred cases of yellow fever this year, leaving 25,854 houses that have not had a case.

A case of yellow fever in Mantanzas.

[Cablegram.]

MANTANZAS, CUBA, *December 18, 1900.*

One case yellow fever reported; civilian.

GUITÉRAS.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

Reports from Nuevitas, Puerto Padre, and Gibra—Yellow fever at Puerto Padre.

NUEVITAS, CUBA, *December 4, 1900.*

SIR: I have the honor to submit the following report for the week ended December 1, 1900:

Nuevitas.—During this week 5 vessels have arrived and 6 bills of health have been issued. Two deaths have occurred. No more cases of yellow fever have been reported or known to exist. The case of yellow fever already reported occurred on November 27 in the person of Mr. Thomas, special agent, Post-Office Department, was immediately isolated in a house 2½ miles from this town, and is now in convalescence.

Puerto Padre.—There was a telegraphic report of 2 very mild cases of yellow fever on November 30 in the persons of the doctor and an officer of the United States transport *Vixen*, in anchor at that harbor.
